Good afternoon Mr. Harrington,

Unfortunately, Lanterman has not returned the personnel file, even though in an earlier email from Friday, 3/7/25, he claimed to have "placed the file in an envelope and dropped it in the mailbox on Saturday," presumably Saturday, 3/1/25. I sent another email to him yesterday and told him that I never received the file, essentially calling him out for it not showing up.

Good morning, Chief:

Did Lanterman return the file to you? If so, may I have a photocopy of his application for employment? Is there any indication that it was altered or falsified (obliterated, had new information added, etc.)?

best,  
Sean
